To Whom It May Concern:

Please do not increase our monthly rates by 28%, from \$52.10 to \$66.62. We can barely afford the rates now. Please consider the people who are already struggling to pay their bills. Please keep it the same, or better yet, decrease it. Decreasing it would mean less late and delinquent payments.

Thank you.

I am contacting you to protest the rate increase proposed by Palmetto Utilities 2019-2020. No valid reasons have been brought forth supporting this rate increase. As a Richland County homeowner, I strongly urge the Public Service Commission to reject this proposed rate increase and keep the base rate at the current \$52.10. This rate itself is outrageous, but rolling it back does not appear to be an option at this time. Thank you for your consideration.
